Raising Your Level of Prosperity

WHAT'S HOLDING YOUR BUSINESS BACK?

- HAS YOUR BUSINESS BEEN IN A SLUMP?
- HAS YOUR BUSINESS NEVER TAKEN OFF LIKE YOU HAD PLANNED?

Frustrating, Isn't It?

Instead of being an asset that flows power across your dynamics, your business pulls power *from* them. You need and want to get up the Bridge (as do any Parishioners you may employ). You need and want to proudly contribute to the various causes that make for a better world - and yet your business is just not complying.

Do you realize that there is only one reason why you are faced with this situation and cannot fully fix it?

You haven't spotted the REAL problem!

Otherwise, you would have fixed things, right?
