

SOFTWARE LICENSE AGREEMENT FOR THE HUBBARD PROFESSIONAL MARK ULTRA VIII E-METER PASTORAL COUNSELING DEVICE

This Software License Agreement ("Agreement") is made and effective this _____ [date] by and between Church of Scientology International ("CSI") and _____ [print name] ("Licensee"). CSI licenses the Mark Ultra VIII E-Meter software program (the "Software") to qualified owners of the Mark Ultra VIII E-Meter. Licensee is purchasing a Mark Ultra VIII E-Meter with the serial number _____ (the "E-Meter") and desires to use a copy of the Software in connection with Licensee's use of the E-Meter as provided in this Agreement.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, CSI and Licensee agree as follows:

1. LICENSE

CSI hereby grants to Licensee a nonexclusive, limited, nontransferable, nonassignable license, without right of sublicense (the "License"), to use the Software solely in connection with Licensee's authorized use of the E-Meter as set forth in this Agreement, in standards, manuals and requirements provided by or for CSI from time to time, and the Purchase Agreement for the E-Meter (the "Purchase Agreement"). This grant is subject to termination as provided below.

2. **CONDITIONS OF USE**

I understand that it is a condition to my use of the Software, and I hereby represent, warrant and covenant that I am and during the term of this Agreement, as the same may be extended, an auditor, an auditor in-training or otherwise authorized by the Scientology Scripture to use the Software and am in good standing with the Church, and my certificates are currently in effect. I understand that the E-Meter is a religious instrument for use according to the Scientology Scripture as a guide to Scientology ministers to assist parishioners in locating areas of spiritual distress or travail. I understand that these conditions of use and the following restrictions on use and transfer imposed by CSI are necessary to ensure the E-Meter is used only in the context of the practice of the Scientology religion and in conformance with the Scientology Scripture.

3. **RESTRICTIONS ON USE AND TRANSFER**

This License is personal to Licensee, is nontransferable, nonassignable and Licensee cannot sell, give, sublicense or otherwise transfer in any way the Software (or any rights in the Software) to anyone else without the prior written consent of CSI, which may be granted or withheld in CSI's sole discretion. Licensee cannot utilize the Software except in connection with Licensee's authorized use of the E-Meter and in compliance with all instructions, manuals and statements relating to the E-Meter. Licensee also cannot modify, copy, duplicate, reproduce, reverse engineer the Software in any way or attempt to remove it from the E-Meter.

4. **WARRANTY**

A. For a period of one year following registration by Licensee as provided in paragraph 6 below (the "Warranty Period"), CSI warrants that the Software shall perform in all material respects according to CSI's specifications concerning the Software. In the event the Software fails to so perform Licensee must promptly notify CSI and return the E-Meter to CSI or CSI's designee at Licensee's expense. Licensee's SOLE REMEDY shall be that CSI shall correct or replace (at CSI's discretion) the Software so that it operates according to the warranty. This warranty shall not apply if the Software has been used improperly or in an operating environment not approved by CSI or if the E-Meter casing has been opened.
