

Any Scientologist, in his own experience, can probably recall some such cases and their subsequent upset.

Until the environment is handled, nothing beneficial can happen. Quite the contrary. In the most flagrant of such cases, the Scientologist's case worsened and the Suppressive Person or Group sent endless distorted or false reports to press, police, authorities and the public in general.

Unless the Potential Trouble Source, the preclear caught up in this, can be made to take action of an environmental nature to end the situation, one has a pc or Scientologist who may cave in or squirrel because of no case gain and also a hostile environment for Scientology.

This material gives the means and provides the policy for getting the above situation handled.

A Potential Trouble Source may receive no processing until the situation is handled.

Suppressive Persons or Groups relinquish their rights as Scientologists by their very actions and may not receive the benefits of the Codes of the Church.

The families and adherents of Suppressive Persons or Groups may not receive processing. It does not matter whether they are or are not Scientologists. If the families or adherents of Suppressive Persons or Groups are processed, any auditor doing so is guilty of a Misdemeanor. (See *Offenses and Penalties*.)

A Potential Trouble Source knowingly permitting himself or herself or the Suppressive Person to be processed without advising the auditor or Scientology authorities is guilty of a Crime.

1. *Abbreviating an official course in Dianetics and Scientology so as to lose the full theory, processes and effectiveness of the subjects.*
2. *Adding comments to checksheets or instructions labeling any material “background” or “not used now” or “old” or any similar action, which will result in the student not knowing, using and applying the data in which he is being trained.*
