

CONFIDENTIAL / ATTORNEY CLIENT PRIVILEGED

8 April 2006

RE: JB

The NY hearing has been moved up to this coming Wednesday by JB's NY attorney, Charles Clayman. He did this as it is a Jewish holiday this week so thinks the media will be less attentive. JB goes to NY on Monday to meet with Clayman (Elliot is also maintaining a comm line on the side with Clayman).

Today there was a message on clambake by an unidentified person with the nickname "missionrock" referring to the New York Post article and saying that JB is a Broadway star and a Scientologist and wondering what comes next. "Will he be offloaded or declared SP? How does Scientology handle a celebrity involved in a sex scandal?"

It was also found that a message board on broadwayworld.com has a number of messages about his arrest with about 6 messages mentioning Scientology and the rest are all about the argument as to whether she was responsible or not, whether he deserves it or not, how the law works, etc. PR Chief was alerted to this.

Today we got the report from the sec check sessions yesterday. The full KR is being sent hardcopy but the key additional data is that there were additional incidents with ██████ in 2000. One was when JB went to her house. She was alone, they started talking about guys, then kissed and he fondled her. Then they both rubbed each other's private areas and masturbated each other. The other incident consisted of JB kissing and fondling ██████ for a few minutes in his car.

After the above was pulled, JB confessed to some other incidents involving minors as follows:

In 1999, in SD, he was doing a play with a 14 year old girl named ██████. One time they were in the green room waiting to go on stage and she sat on his lap which restimulated him. After the show he kissed her goodbye, with a 2D flow, but not with the tongue. On another occasion in the same year, they were in the theater rehearsing and both had shorts on. He put his hand on her thigh near crotch. They laid on the sofa and she rubbed his penis and said she

wanted to learn how to do oral sex. They took their clothes off and he first gave her oral sex, then she gave him oral sex.

He said he has remained in comm with this girl and his last comm was via e-mail, approximately 2 months ago. JB said that these emails are about assisting this girl get into the industry but this will be specifically checked on the meter tomorrow.
